

Health Assessment Sheet

The purpose of this Health Assessment Sheet is to confirm the health conditions of examinees and chaperones (herein after referred to as “examinees, et al.”) to prevent the spread of COVID-19 during the 2023 Chiba Prefectural Public High School Entrance Examination.

The personal information collected on this Health Assessment Sheet will be handled properly by each respective high school, and will only be used for the purpose of gaining a grasp of the health conditions of examinees, et al., making decisions regarding permission to take the examination, and other necessary communications. In addition, except in situations permitted by the Personal Information Protection Laws, personal information will not be provided to a third party without the explicit consent of the examinee, et al. However, in the situation that someone at the examination venue is discovered to have been exposed to COVID-19, or there is a suspicion thereof, information may be provided to health care centers as necessary.
